VOX COELESTIS

Conducted by Nigel Short

"Telling the stories of our absent friends through choral music".

Ex-Kings Singer and Conductor of Tenebrae, Nigel Short, leads a programme of music which evokes memories of absent friends. Some pieces have been chosen by our singers, but audience members have the unique chance to choose and dedicate a piece of choral music which tells the story of an absent friend.

For details of tickets and how to dedicate a piece of music, visit the Vox Coelestis website listed below:
